Dear Crystal-

Hi ya babey! Well I guess another school year is about to end and all our senior friends are going to leave and its going to be sad! ☹ xoxo Boo I am real glad we've got to know each other this year it's been fun. Well, Drill team was over-all fun with a few exceptions - only a few though! Remember when we had the hardest time with Sandra on Farandal Well then all were given and got bell from D.T. I never forgot my first game when I discovered our hairnets stay on - did I die or what, also when I didn't know to turn my banner around or the stars dangled. Banner - did Lisa V. G. yell at me or what. Mistakes do happen - We have had alot of them - Id say too many but enough to learn from them. Next semester you'll be a bee cheerleader and I do wish you all the fun a person can have. When your freezing your butt off I'll keep warm and think of you! Our sophmore year has been really fun & educational. I'll never forget how I used to die over Brian Hackney, I still do but not as bad. I really love ya lots - Over the summer we'll have fun times together and don't take the night crew as your work - well at least Jane will be one OKay! Well I'll see ya!

Love ya much!

#1 YEAH!!

Dear Crystal,
You've managed to
pull out of this 1st year
year of high school through
thick and thin. We've really
enjoyed being a part of your and
being there when you needed some-
one to talk to. I'm sure you had a great
time, haven't we? Hope we remain
good friends forever. See ya
next year or during the
summer.

Luv ya,
your buddy,
your pal,
Rose

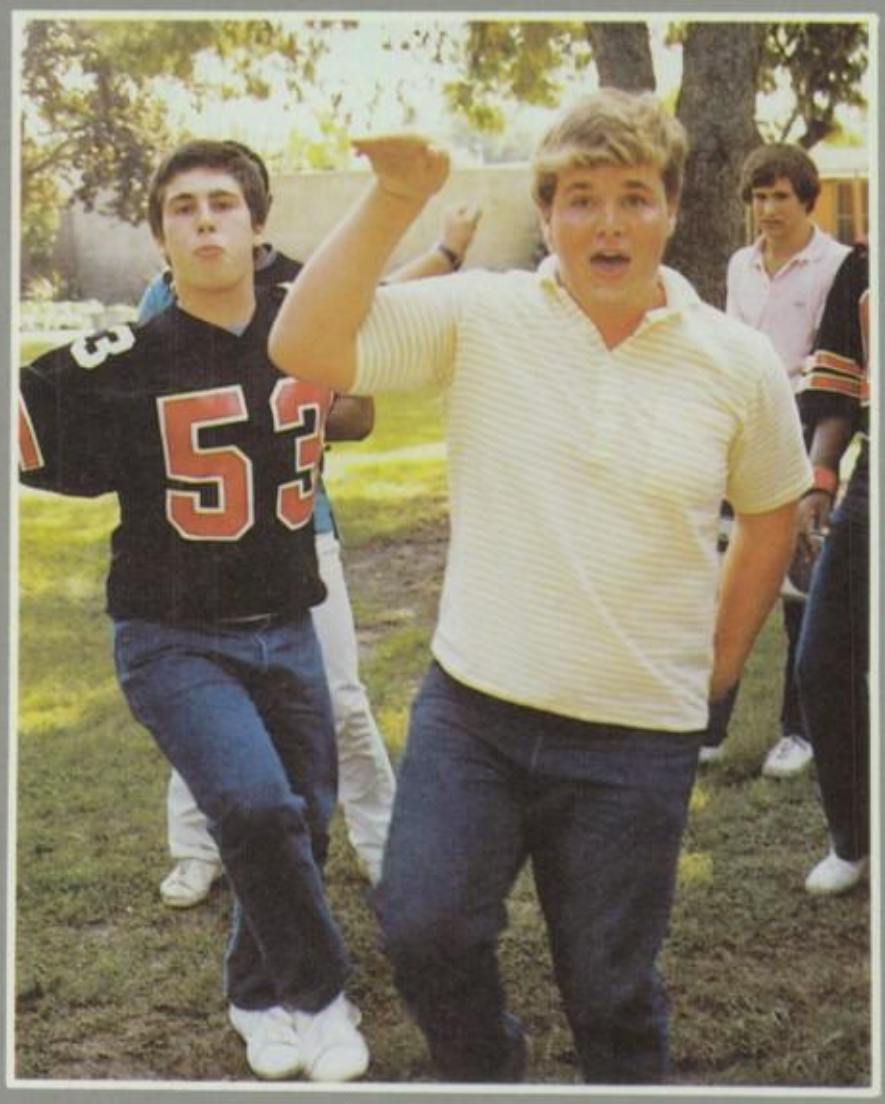
We at Cleveland High School like to think of life as a celebration. To us a celebration is in order when something brings us pleasure. For some it can be simply receiving an "A" on a quiz, while for others it can be the thrill of winning a football game.

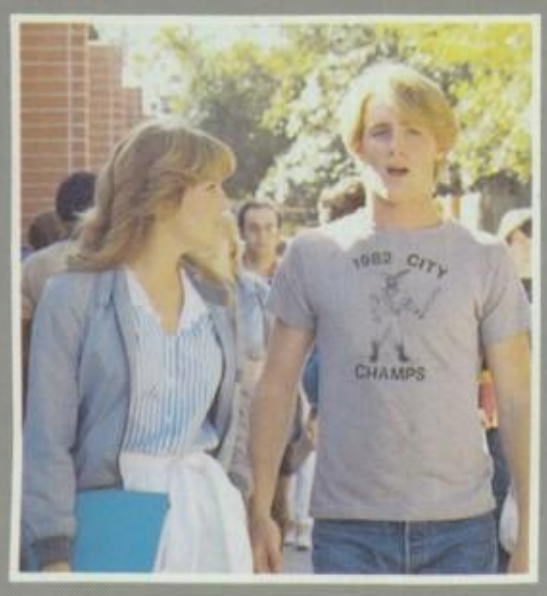
Although we all celebrate in many different ways, the pleasure that is felt while celebrating is universal.

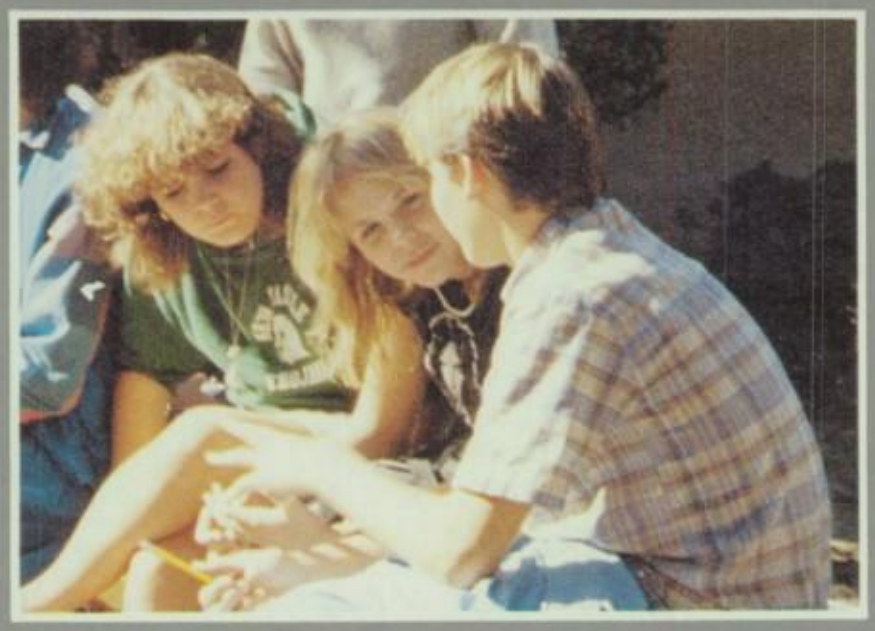
We, the Les Mémoires Yearbook Staff, like to think we have achieved our goal in assembling a yearbook that will make memorable many of this year's triumphs.

We have also realized that by putting up with life's hardships and misfortunes we grew stronger and more determined to put out a fantastic yearbook.

We can only hope that you join in on our celebration and that you get as much out of it as we have put into it.







Crystal,

Oh so glad we became friends. Keep in touch and come and visit us sometime. I loved Lawrenceburg and Cranny and Dot and Lorealyn and Jimbo and Bruno and Pepsi and Ruby and Lucy and Dawn and Jerry and Sherrie and Jolene and Lavinia and Kit and Peggy and Jeanie and Sonya and Dianne and Sherry and Jimmy and Dewayne and Dwayne and Dwayne. I love you all. Love, Dwayne.

Dear Crystal
Oh my God - can you even
believe we're made it this far
this year? I'm so glad that
I met you, Auntie. Julie have
to have a party & get
together again. Give me a
call & we'll make a plan
do it. Bye for
and then
Stay Sweet.
Love ya,
Yolanda.

Crystal,
Well, I could
say it's been
fun, cause it has.
I could say you're
a nice kid, cause you
are. I could say have
a nice summer, cause
I know you will. I could say
See you next year, cause hopefully
I will. I could say all of
those things, so now I have.
Bye Bye for now,

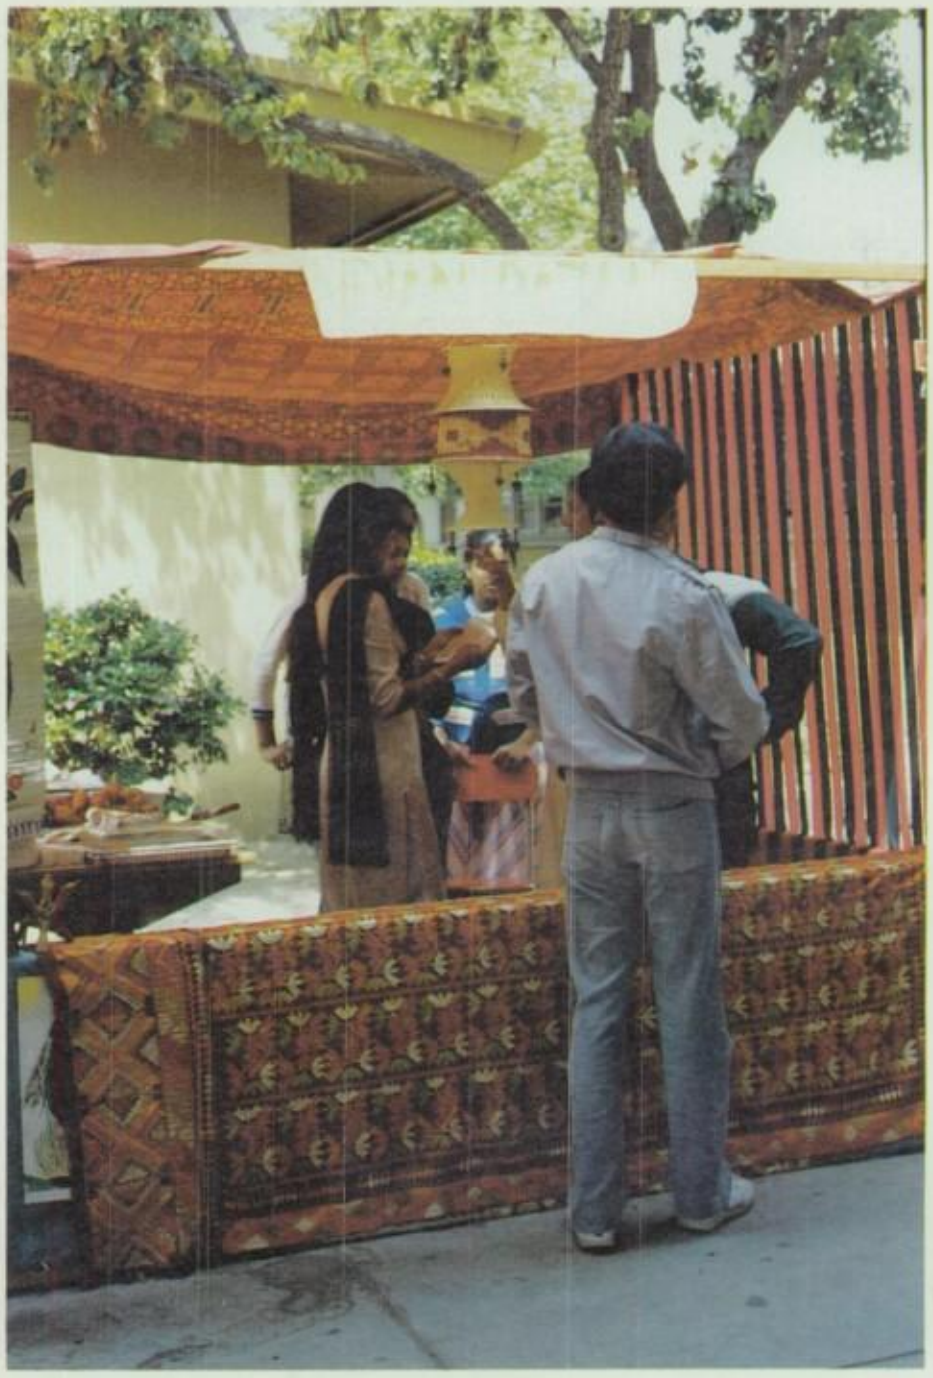
AN INTERNATIONAL

Cleveland's second annual La Faire was something to see, and something to celebrate. La Faire took place on Saturday, June 4, from 11:30 a.m. to 3:00 p.m. It featured a Trash and Treasure sale, Art Show and various types of entertainment such as wandering minstrels, Korean fan dancers, members of the Drill and Flag Teams and a performance by Dance Production.

The Art Show in the gym featured displays of student work in, among other areas, ceramics, drawing, painting, photography and electronics. The real excitement, however, occured down Cleveland's main arcade where two rows of brightly decorated booths featured everykind of food from donuts to Indian Cuisine. Further down the arcade were game booths where young and old tried to win goldfish or stuffed animals, or get married in the marriage booth. At the end of the day a beautiful quilt made by members of the clerical staff was raffled off. Once again, La Faire was a success due to the participation of teachers, club sponsors, administrators, student council and the Cavaliers themselves.

CELEBRATION



GROOVY GHOULIES

Our Halloween Dance, held on Monday, October 31 was hauntingly successful. Ghosts and goblins boogied from 3:00 to 5:00 to their favorite musical artists. Our costume contest judge, Mrs. Felicia Wallace, spirited around recording the names of contestants. The winner were announced over the P.A. on Tuesday morning.

Cavalier costumes included Minnie and Mickey Mouse, a clown, a genie, an Arab, bumble bees, Alice in Wonderland, Raggedy Ann and a number of babies, cats, and hippies. Overall, everyone had a real "ghoul" time.

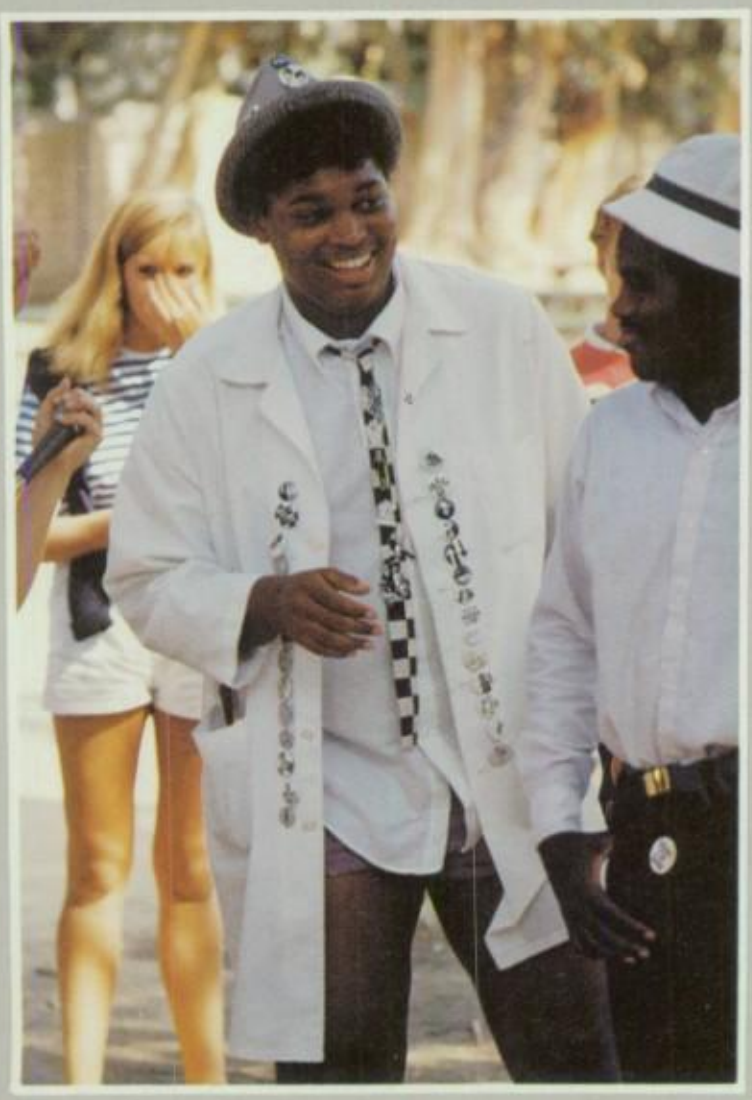
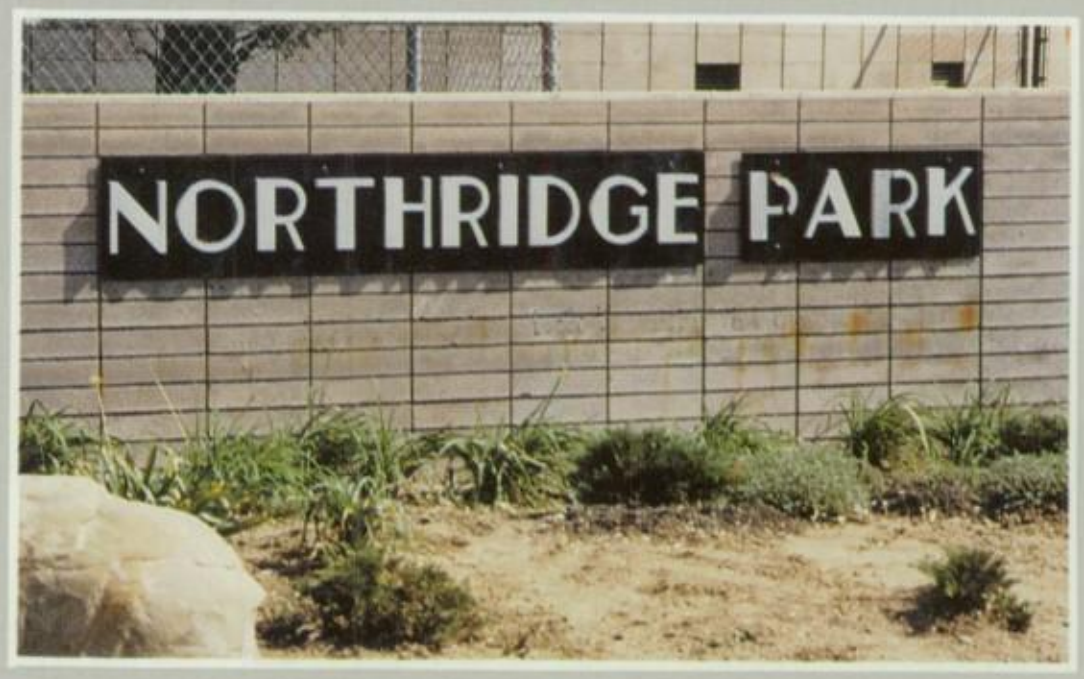
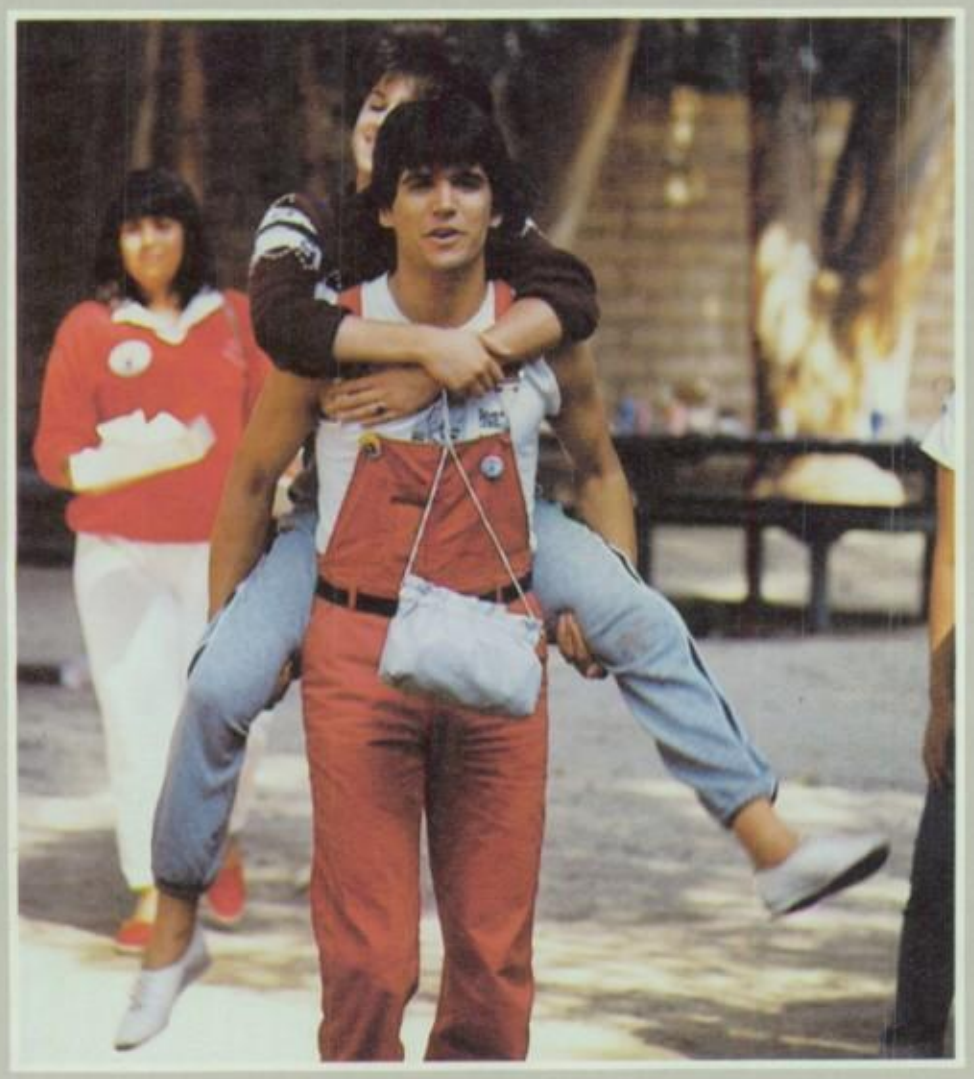
EVERYONE CAME

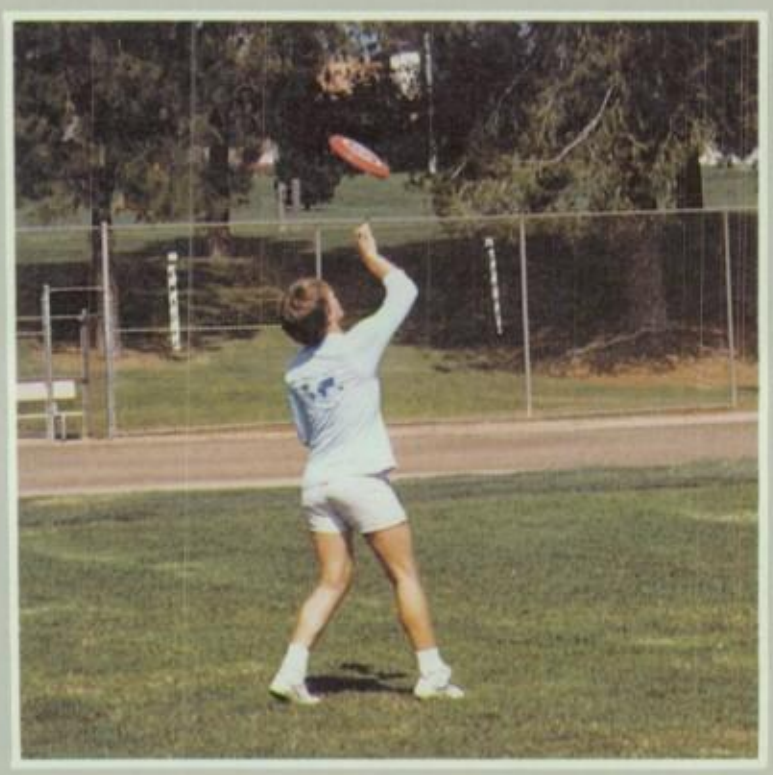


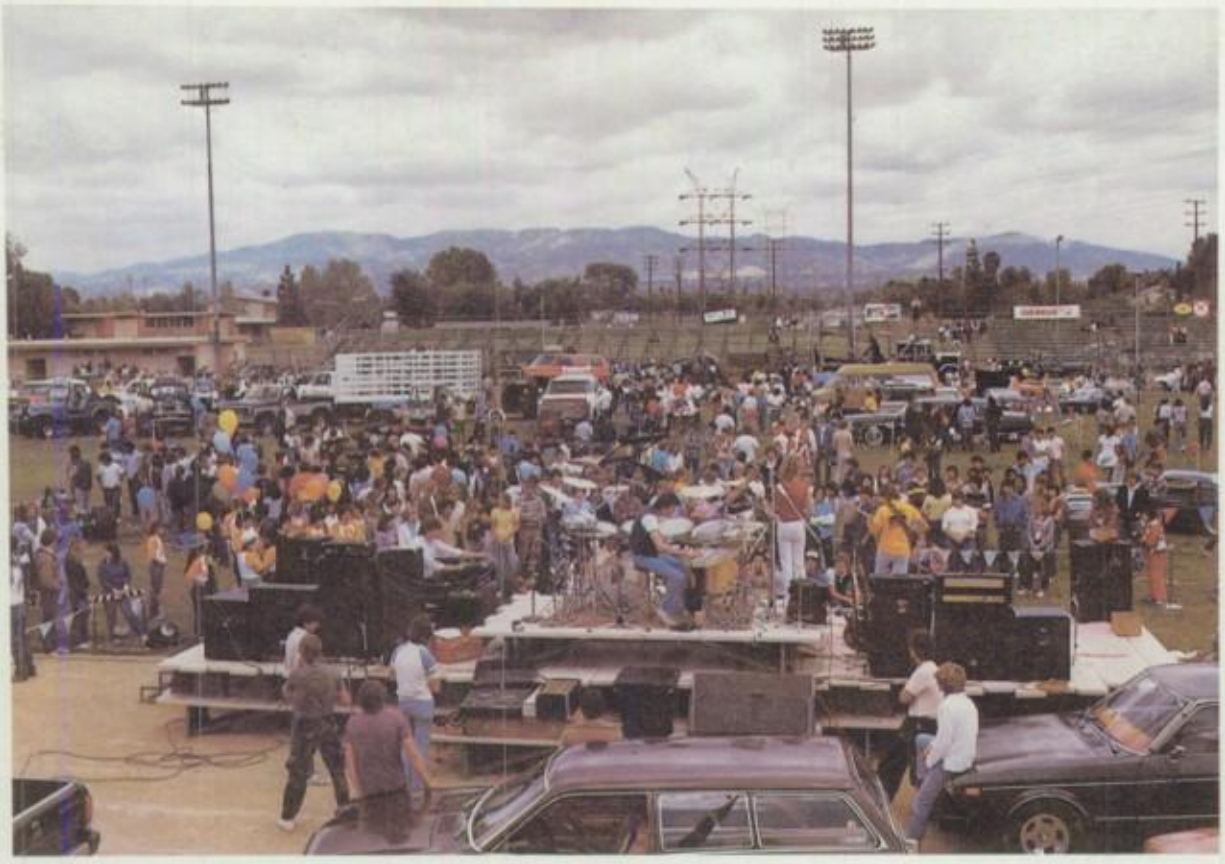


The Senior Picnic was this year's kick-off fundraiser for the Senior Class. Seniors packed their lunches and headed to Northridge Park where the festivities were held. During the picnic the winners of the Senior Class Elections were announced and a drawing was held for a variety of prizes. The picnic was the perfect opportunity for seniors to play frisbee or football, join little children on the swings and jungle gyms, or to just relax with friends. One of the best things about the picnic was that everyone came but the ants.

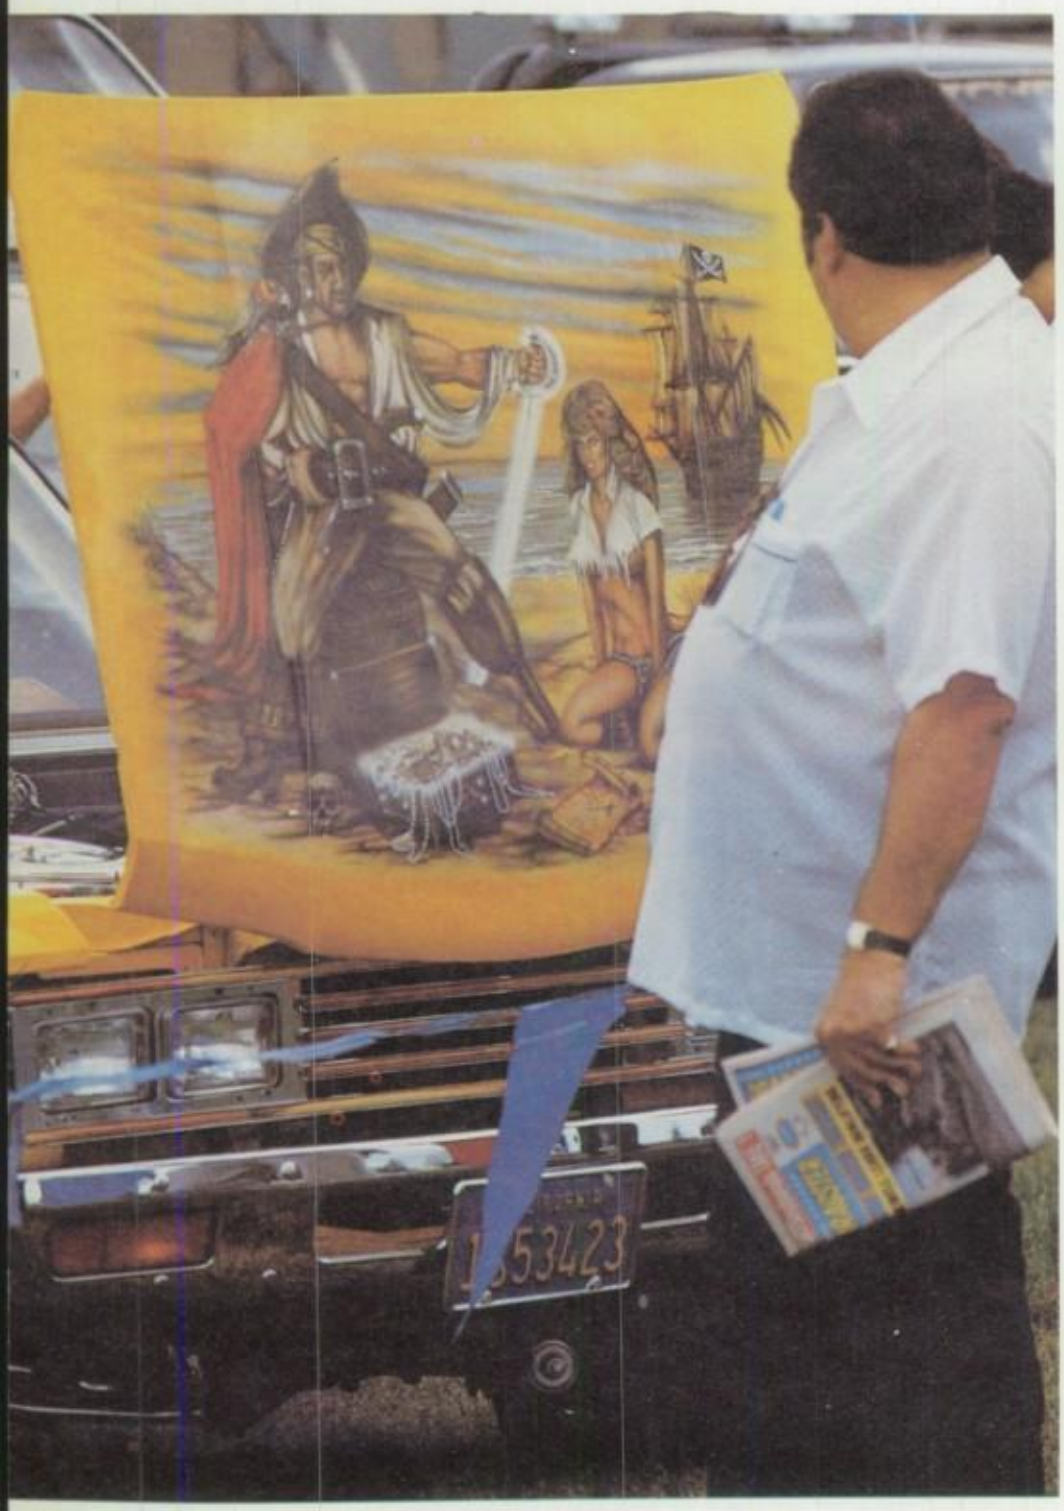
BUT THE ANTS

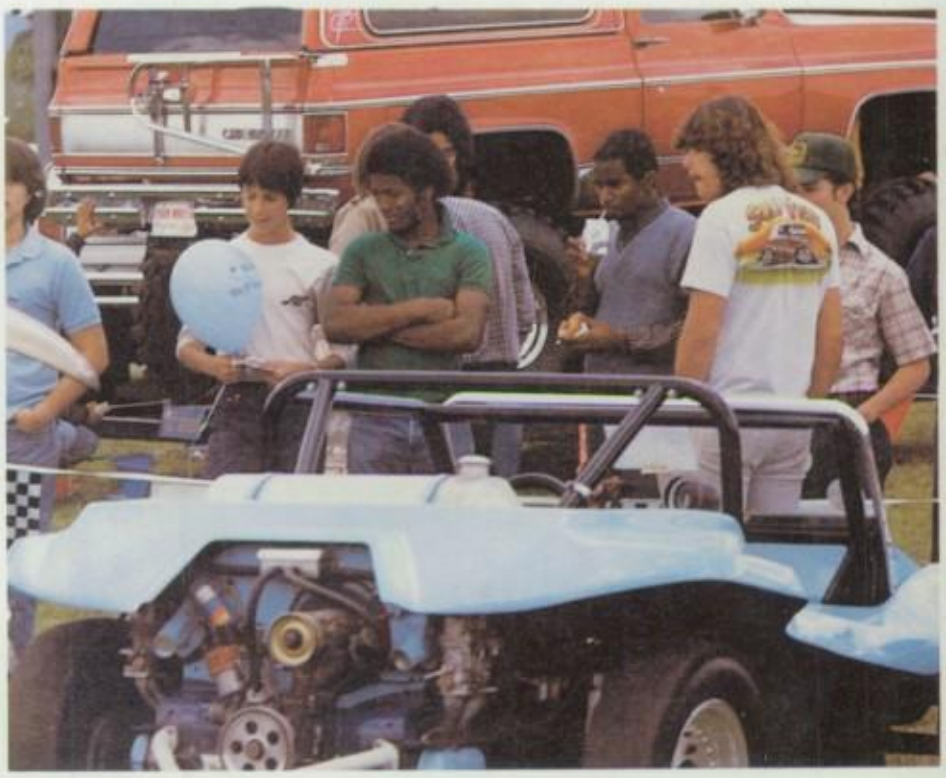






AUTO EXPO





When Mr. Don Runyan conceived the idea for Auto Expo, he envisioned an event completely organized by students, that had the quality of something done by professionals. Students in his Industrial Management course get a type of experience that will enable them to go into the professional world and function in specific areas.

Industrial Management presented its' 5th annual Auto Expo on Thursday, May 3, 1984. Students involved in creating Auto Expo worked in areas such as design, manufacturing, judging, security, public relations and promotion. Industrial Management students labored diligently under Mr. Runyan's "Do it right or don't do it at all" philosophy, to make this year's Auto Expo better than the last, and each year they strive for more. This year for instance there were more entries than last year, and a new logo.

Not only does Auto Expo give Industrial Management students practical experience in creating a successful event, but it gives the student body an opportunity to participate in an unusual yet enjoyable extra-curricular activity.

Crystal,
ah! ah! How you doin'? You sure are weird, but I like you! Don't change and have a bitchen' summer. ah! I'll be looking for you next year.

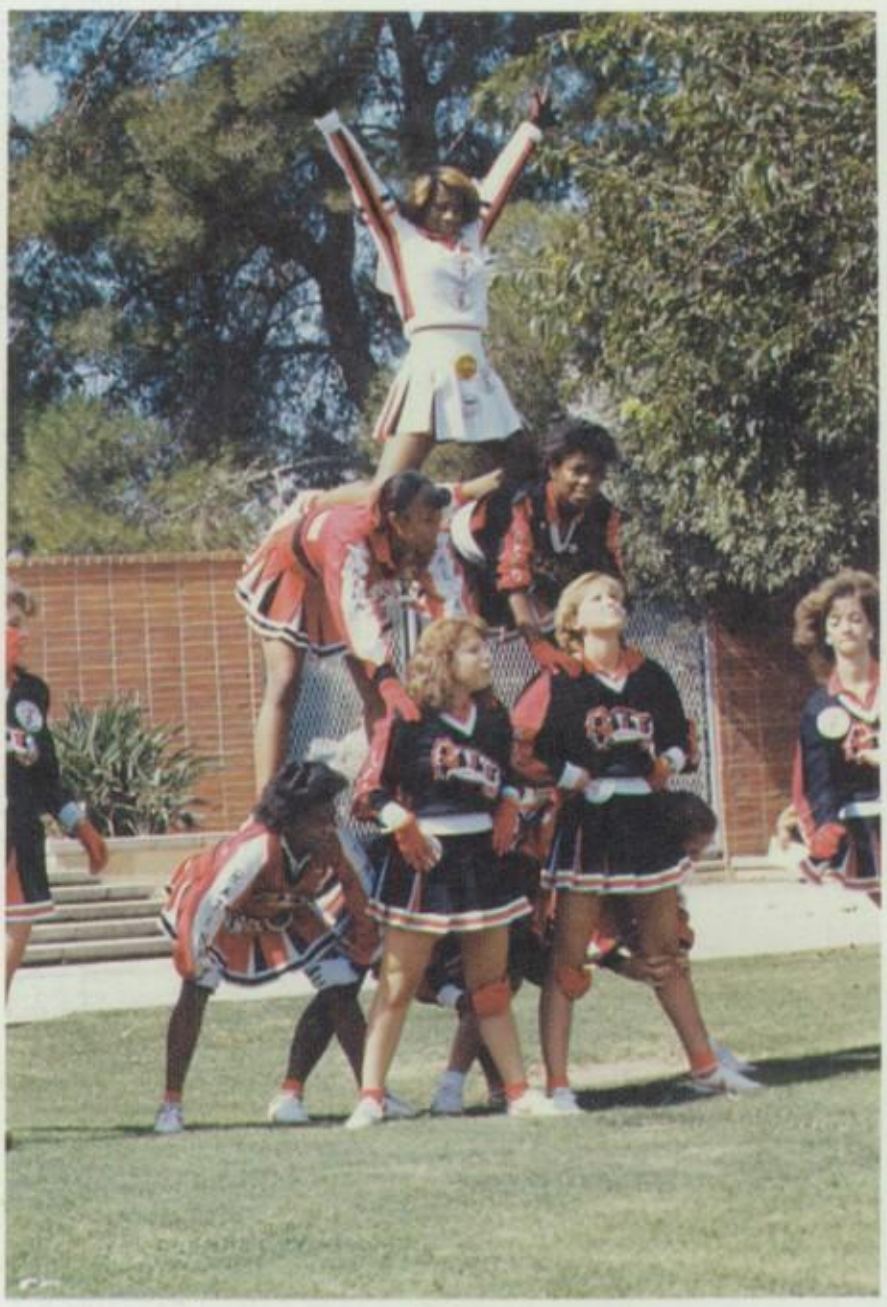
P.S. Ah!

SUPER SPIRIT

Our first pep rally of the season occurred on October 7. Cavaliers came out to the quad to cheer on their teams and watch performances by our drill team and cheerleaders. Coach Todd led his team in cheers and the excitement level rose. The afternoon paid off because we beat Canoga that night.



CAVS OF THE ROUND TABLE

On Wednesday, October 12, Senior Board sponsored a pizza bacchanal which took place at Round Table Pizza on Roscoe and Winnetka. Numerous patrons of the restaurant stared in amazement as the Cavaliers fervently devoured pizzas, soft drinks and salads. Naturally some excitement occurred. Someone shut off the main power breaker, causing all the lights to go out. After much shrill shrieking, sanity was resumed and everyone was once again able to enjoy a good time and more pizza.

THE DANCE EVENT

▲ ▲ Appearing with the La Sabre staff was Clark Kent, mild mannered reporter.
▲ "A funny thing happened to me on the way to the Homecoming Game "
▶ "Calvin! It's been sooo long!"

On November 18, 1983, Cleveland High School's Student Cabinet presented Cleveland's 25th Annual Homecoming Game. The celebration included our Second Annual Homecoming Parade and Dance.

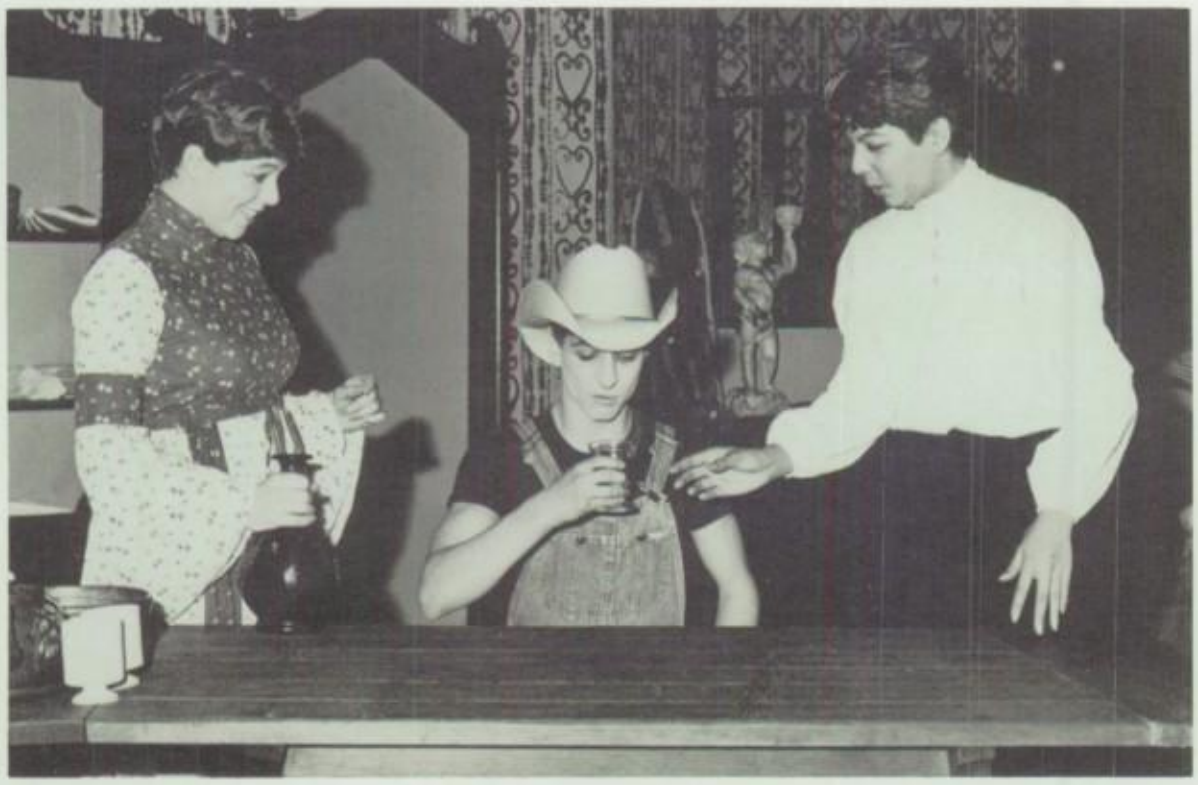
The parade featured over 26 floats in all; 14 from different clubs and organizations plus cars for the grand marshall, senior and student body presidents and a caravan of convertibles for the honored guests - the Senior, Junior and Sophomore Homecoming Court winners.

Highlights of the parade were the grand entrance of the cheerleaders and drill team on a fire engine and the prize winning floats entered by Le Sabre, Junior Council and Senior Board. Despite the bitter cold, Cavaliers, parents, boosters and alumni stuck it out to see the home team victorious.

AN EVENING WITH ROYALTY

What happens when you mix a room full of Cavaliers and Alumni with music, decorations and an anxious Homecoming Court? That's right, Cleveland High's Second Annual Homecoming Dance. On Saturday, November 19, the day after the Homecoming Game the Homecoming Dance was held in the M.P.R. The special guests of the evening occurred when the winners for Homecoming King and Queen, Junior Prince and Princess and Sophomore Prince and Princess were announced. Those fortunate Cavaliers in that order were, Mary Lauffer and Lane Lortscher for King and Queen, with their court, Brian Escamilla, Mark Schneider, Brian MacGregor, Tony Scamardo, Catana Clark, Trudi Johnson, Jacqueline Melendez, and Suzette Chavez. Junior Court consisted of Prince and Princess Carlton Edwards and Kristi Ramirez, attended by Art Stillwell, Tom Cox, Kitty Dhillon and Kimberly Wycoff. The Sophomore Court consisted of Prince and Princess Peter Freeman and Deanna Leza attended by Mark Kirshbaum, Lennox Jones, Stacey Minks and Melissa Pencheon.

ARSENIC AND OLD LACE



"Arsenic and Old Lace" is a murder-comedy that was presented by Play Production this Fall. The play is about two old ladies, Martha and Abbey, played by Linnea Anstead and Gianna Sabella, who think they are doing a service to society by poisoning and killing lonely old men. Nephew Mortimer, played by Brian Bullock, tries his best to stop these two from their evil ways only to set everything in confusion. "Arsenic and Old Lace" was presented twice, Friday, February 24th at 1:01p.m., and Saturday, February 25th at 8:01 p.m. Also included in the cast were Moses Sequera, Eric Fritsche, Jory Felice, Steve Kinzler, Mary Mossberg, Todd Grossman, Terrence Hall, Laurie Wilson, and Ruth Allen.

"PUTTIN' ON THE RITZ"

▲ ▲ Welcome to the "Ritz".

▲ What's this floating in my punch?

◄ A bird in the hand is worth two in the "tush"!

On Saturday, December 10, 1983, Cleveland hosted its Annual Women's Lib Convention, otherwise known as the Vice-Versa Dance. As goes the tradition, the ladies asked the gents to an evening of music, dancing and fun. The theme of the evening was "Puttin' on the Ritz" and that's exactly what happened as the M.P.R. became the D'Artagnon Ballroom and filled with Cavaliers "dressed to the nines" The music was supplied by a D.J. who kept the excitement level high till the very end. The Vice-Versa was among the most memorable events of the year.

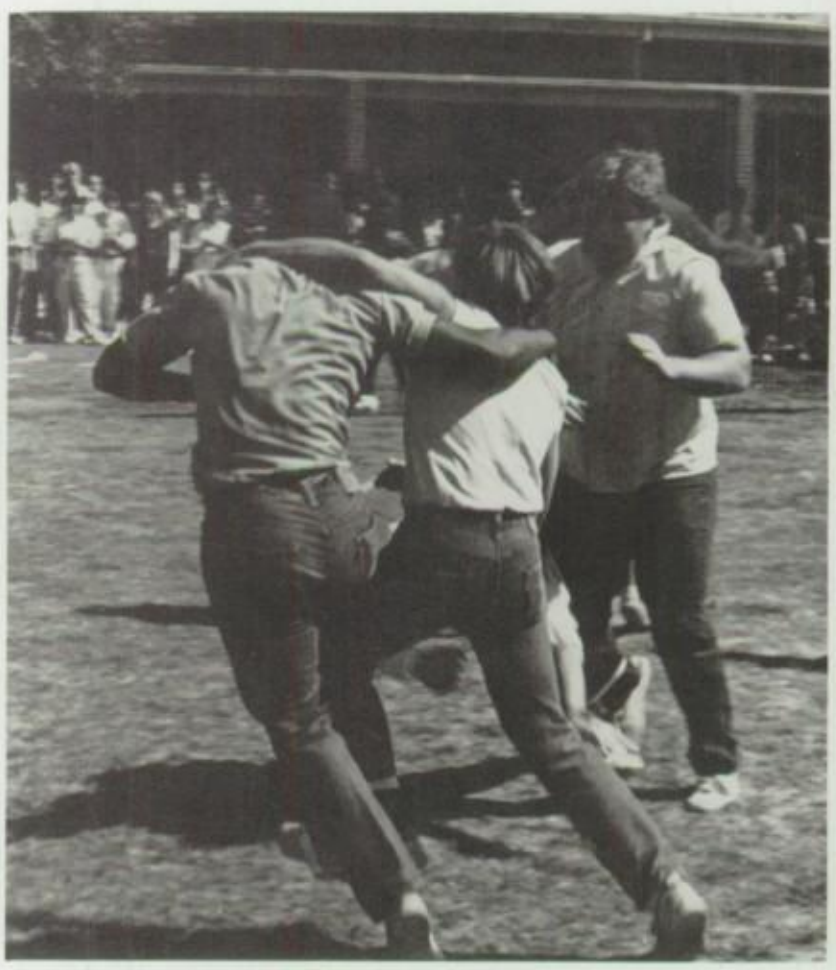
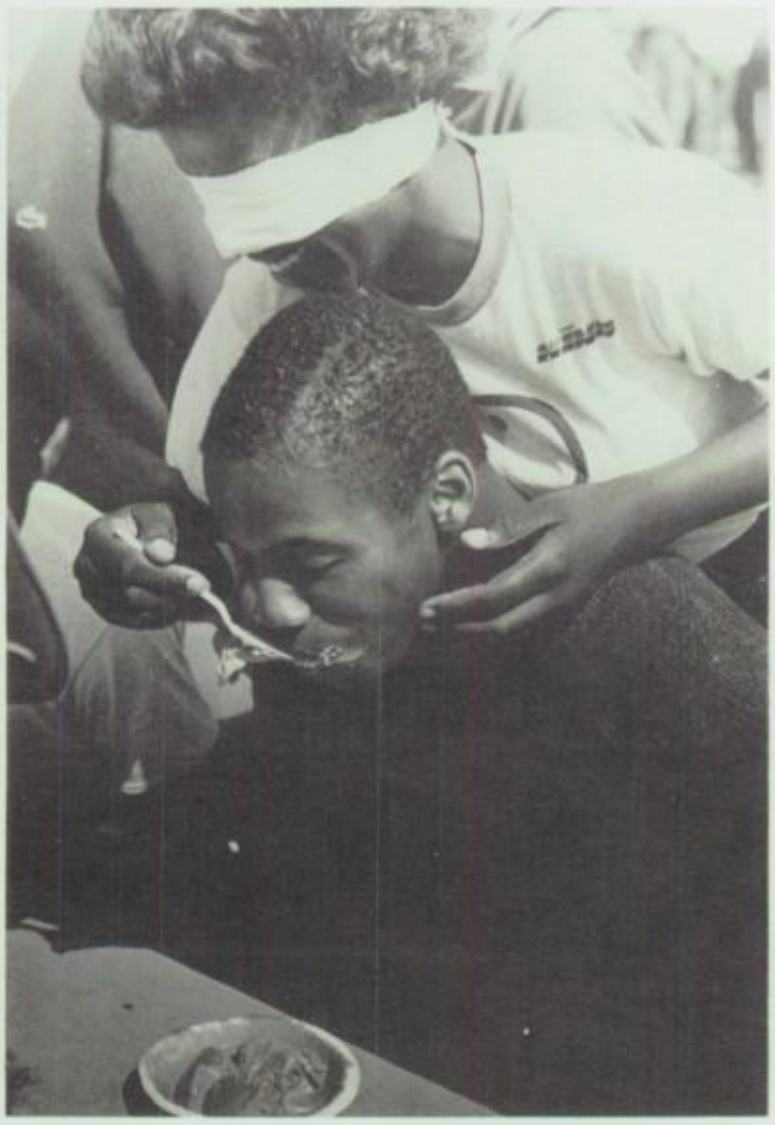
SENIOR SPIRIT



During March 5-9, spirited seniors participated in Senior Spirit Week. Featured events included an ice cream eating contest, a bubble gum blowing competition, egg toss, tug-of-war, three legged race and the obstacle course. The events, sponsored by Senior Board, took place at lunch on the quad. Also on the quad was a bake sale of delectables prepared by Senior Board members. Seniors got a chance to pit their skills against each other making lunch into a special event.



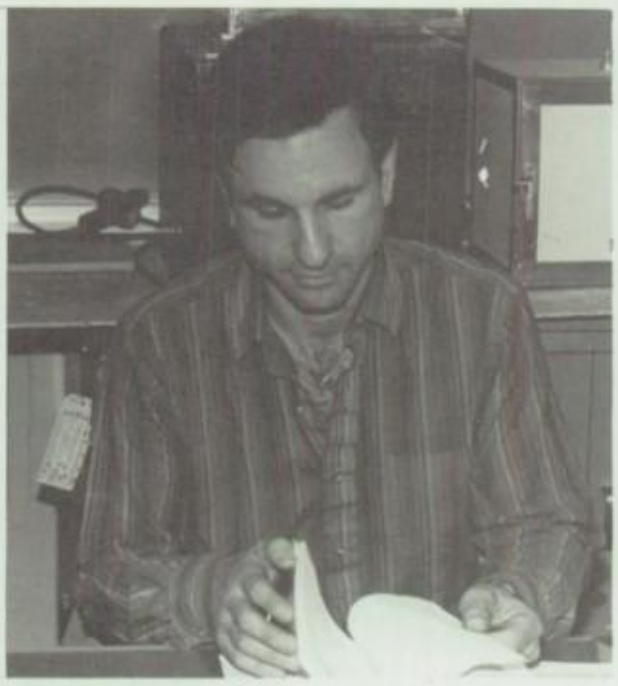
ON OUR WAY TO THE STARS

On November 19, at Fairfax High School, Cleveland High's Play Production and advanced drama classes participated in the 1983 Drama Festival. Students performed in such categories as Individual Humorous, Individual Serious, Group Humorous, Group Serious, Group Mime, Children's Theatre and Improvisation.

For Individual Humorous, Ruth Adlen performed excerpts from "Miss Margarita's Way." For Individual Serious, Mary Mossberg performed a scene from "Suddenly Last Summer." Both performances made it to the semi-finals and were directed by alumnist Karen Harris. Also making it to the semi-finals were Group Humorous in "Fools" and Children's Theatere in scenes from "Free to Be You And Me."

Fifth and sixth places were awarded to Group Serious and Group Mime respectively. Group Serious, directed by Ralph Garcia, consisted of Dani Bedau, Renee Rosenbaum and Kim Gaer in a scene from "Agnes of God." Group Mime was directed by Karol Miller and featured Michael Castille, Lashawn White, Julio Sandavol and Chan Kim.

All the students who participated in the Drama Festival prepared for weeks and their hard work sure paid off.



WHIZ KIDS

On Saturday, November 19, seven students from Cleveland participated in the Academic Decathalon at Alexander Hamilton High School. The Academic Decathalon is a test of knowledge in particular areas, namely economics, fine arts, language and literature, mathematics, science, social science, essay, speech, interview and the super quiz.

Cleveland's decathalon team consisted of Joel Simansky, Brad Bullock, Seana Shiffrin, Mike Jacobson, Eli Rabani, Dennis Goss, Tu Nguyen and Tony Guiso and was coached by Dr. M. Goldman. The team placed second in the city overall in science. Seana Shiffrin placed second in the city in fine arts indidivually. Placing third in the city in math individually was Joel Simansky, and placing third in the city individually in science was Eli Rabani. Our team had a great deal to be proud of, especially since they did not attend an academic decathlon class like most other teams did and therefor had a lot less preparation time. Congratulations to our whiz kids!

The Senior Breakfast and Fashion Show was one of the biggest senior events of the year. Taking place on Friday, March 2nd, the Fashion Show and Breakfast gathered together about 250 seniors to cheer on the models and Senior Title winners, and to chow down the pancake breakfast.

The Fashion Show featured members of Senior Board in gowns and tuxedos for the Prom. In all it was an enjoyable event for the participating seniors, for not only did they get to have breakfast with their friends, but they got to miss first and second period.

ESL PRESENTS...

American music, song and dance, from 1900 to 1984, was featured in the Friday evening, March 9, ESL production of "The Great American Music Menu" in Cleveland High's multi-purpose room at 7:30 p.m.

English as a Second Language students plus Cleveland teachers, administrators, and staff starred in the program that highlighted musical styles typical of different eras in American history.

Local disc jockey Greg Lange hosted the program. Local magician/gymnast Barryn Stroh provided his rendition of a popular Leo Sayer tune in the 70's skit. Dennis Strange and John Fritz appeared in the comedy skit representative of our U.S. Western era. Mr. and Mrs. Glen Strange performed early American ballroom dancing.

According to ESL aide, director and producer, Peggy Gibbs, the students become active participants in the United States' language and culture in an exciting fashion.

The Les Mémoires is proud to present Cleveland High School's three Bank of America Achievement Award candidates. The purpose of this award is to recognize and to honor outstanding seniors whose scholastic attainment, sense of civic responsibility, and evidence of leadership give most promise of future success and service to society.

The Achievement Awards Program was first introduced to the schools of the Los Angeles City School District in 1948. Cash awards, trophies, and certificates have served to emphasize the value of self-improvement, service to others, and individual achievement.

The awards program has been expanded to include all high schools throughout the state. The state is divided into nine geographical regions, each with an approximately equal number of students. The schools within each division form an independent program and winners do not compete against winners from other areas. Cleveland is a member of the West Valley Zone.

The selection of certificate and plaque winners is made by the faculty of the school with the guidance and approval of the principal.

Not pictured are recipients Steve Lawrence for Music and Jeffry Wong for Laboratory Science.

We are proud to announce that Wendy Katz placed first in her category. The Les Mémoires Staff congratulates her fine efforts.

EPHEBIANS

The EphEbian Society is a civic betterment and service organization. Ephebians are selected on the basic of outstanding character, leadership ability, high scholastic achievement, and demonstrated service. The Society's major purpose is to focus the attention of its members upon matters of civic and community leadership, improvement, and service, and to inform and encourage the membership to actively participate along these lines.

One student from forty, or approximately 2½% from each graduating class, may be chosen as an Ephebian. To qualify scholastically, the candidate must have maintained a "B" average throughout his or her senior high school years.

WILLIAM A. FARMER SERVICE AWARD

The William A. Farmer awards were originated to recognize two senior students, preferably one boy and one girl, who have contributed outstanding service to Cleveland in at least two fields. This award easily distinguishes these individuals from Ephebians since the only grade requirement is a "C" average. The award was named in honor of Cleveland's first principal and is given at the awards presentation during Senior Awards Night.

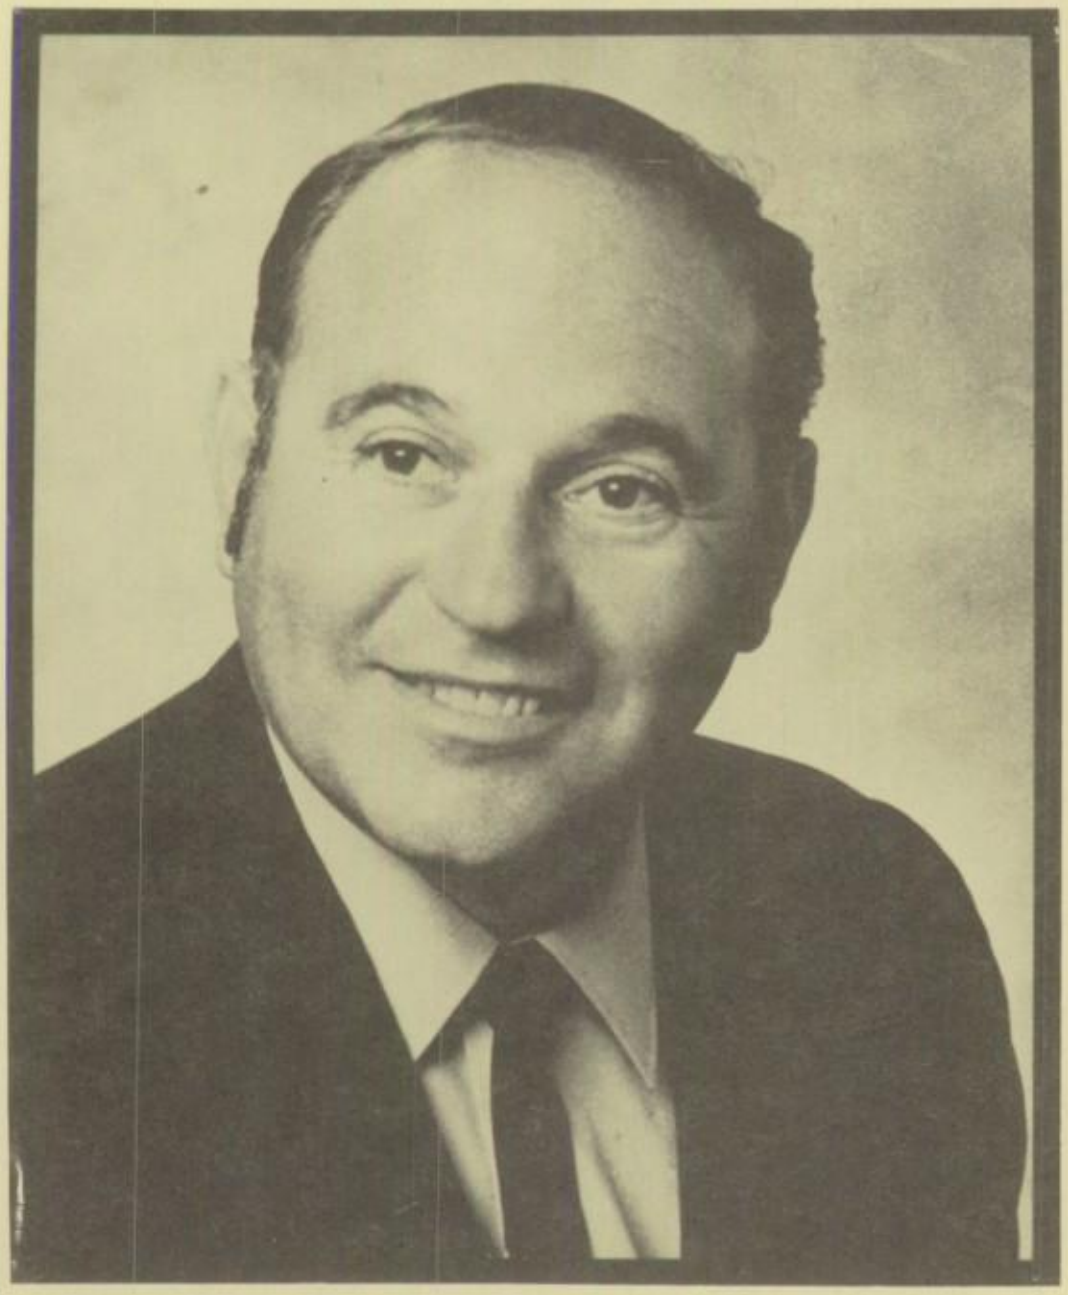
THE STORY OF VERITY FIELD AND THOMAS O. HANSEN LIBRARY

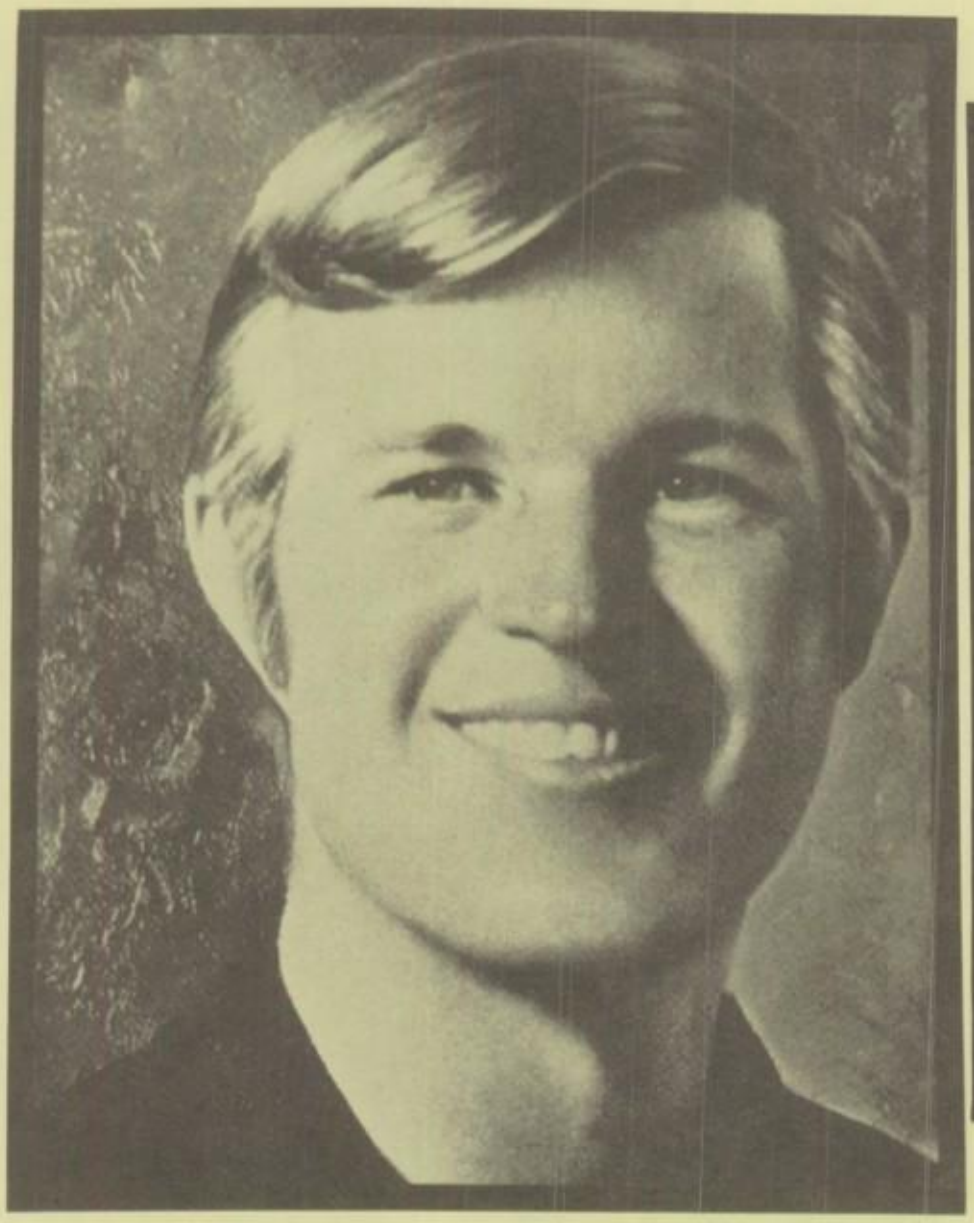


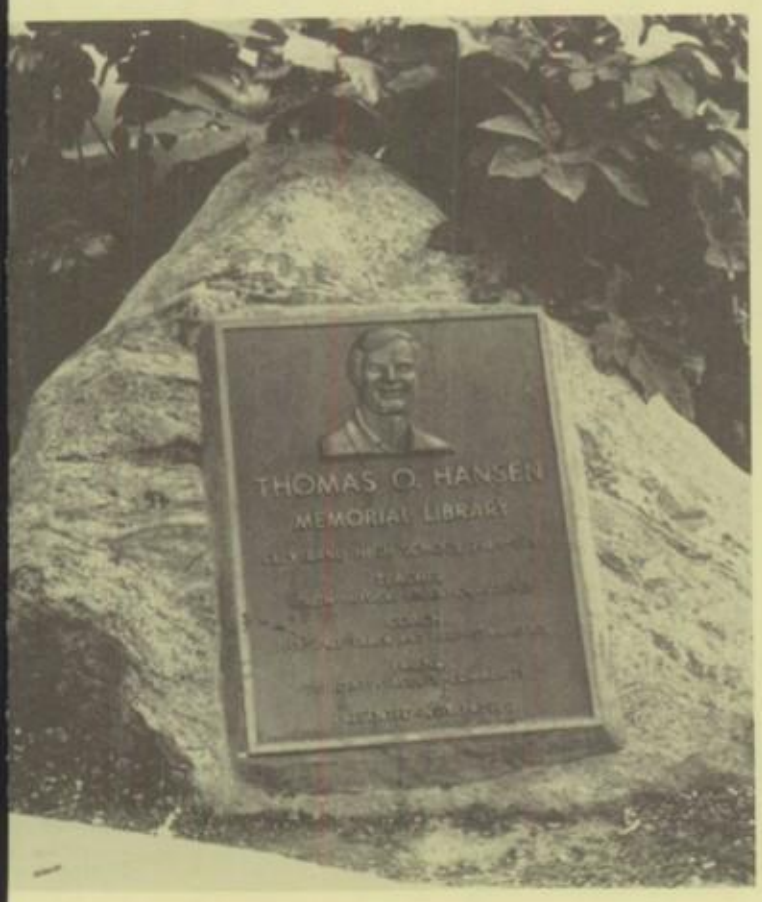
The words at the top of our Cleveland scoreboard read "Verity Field". Most people don't know why the sign reads this way; at first they often think someone mispelled "Varsity". Well, we can all rest assured, it's no mis- spelling. Cleveland's Football Field was dedicated to Mr. Morris "Mike" Verity in 1972. Thus, we get the name Verity Field.

The students and faculty of Cleveland High dedicated their stadium to Mike Verity for his love and understanding. Aside from his devotion to Celeveland's athletic program, Mr. Verity was also dedicated to his students. He was always there to lend a helping hand, to reach out to people, and to offer a shoulder to cry on. He began teaching at Cleveland in 1959 and later became the school's Athletic Coordinator. No other Athletic Coordinator was as experienced as he and perhaps none ever will be. Mike Verity died of cancer in 1971. Because Cleveland High School loved Mike Verity, they dedicated their stadium in his memory.

"Here he comes again-head high and smiling shakin' down the world, playin' it cool. He smiles as though he never been hunted by the crowd, beaten by all the fools. Think of all the men who never knew the answers think of all those who never even cared. Still there are those ask why, who want to know, who dare to try. Every now and then we meet that kind of man here he comes again and now he's gone."

Rod McKuen





Most of us have seen the plaque outside of our library with the face of Thomas O. Hansen on it. We know our library is the Thomas O. Hansen library, but why? Who was Thomas O. Hansen?

Known as Tom by his friends and Mr. Hansen by his students, he taught at Cleveland High School for 12 years. A legend for leading the Cavaliers to the City Championship football game in 1976, Mr. Hansen was a great coach. But ever more importantly, he was a great man.

Mr. Hansen, like Mr. Verity, also suffered from cancer. In 1979 he was hospitalized and underwent extensive surgery. Later in September he returned to Cleveland and courageously continued teaching his students. He kept teaching until a month before his death in 1980. A page in the 1981 Les Mémoires reflected the emotion filled dedication ceremony.

> "In taking time to reflect, we found that we had not only lost a great friend, coach and teacher, but the world has lost and infinitely courageous, loving human being. At half-time of this year's Homecoming football game, we honored Coach Hansen by dedicating our Library in his memory. Recollecting the solemn scene on Verity Field that chilly November night — when the crowd was silent and everyone had a special memory of Coach Hansen in his mind's eye — we realized just how lucky we were to be a part of his life. He was a man."

MINGLING WITH THE STARS

Many famous people have come to Cleveland to share their talents with our student body. In 1962, Johnny Mathis sang such famous songs as "Chances Are" at an assembly hosted by Bob Eubanks. Later that year the Lettermen sang at another assembly.

Good Luck always

To the Students of Cleveland
Sincere Regards,

Dick and Deedee, famous for "The Mountains High", as well as The Drifters, who sang "There Goes My Baby", performed at assemblies in the 60's. Singers were not the only ones who received top billing though. Ronald Reagan visited our school in 1961 as a film star, while in 1972, the L.A. Rams played a basketball game against our faculty. All of these events added many memorable moments to Cleveland's history.

THEN. . .

Over the years Cleveland High School has seen many students come and go. Most students remain only for three years, but teachers on the other hand seem to stay forever. Ten of our faculty members have in a sense been here forever. They came to Cleveland in 1959 and are still here today. Through the good times and the bad times, they have lent their talents and support to our school helping it grow into one of the best in our district. Now, on Cleveland's 25th anniversary, these teachers deserve much recognition, for they have made Cleveland High School.

. . . AND NOW

Mr. Neil Anstead came to Cleveland in 1959 as a Social Studies teacher. "It's been very pleasant here," he said of Cleveland. Mr. Anstead was a part of our first in-school faculty romance. "I met my wife here," he said. "It was the best thing that ever happened to me." Today Mr. Anstead is the Humanities Magnet Coordinator and still happily married

Mr. Stan Davis was our art teacher in 1959 and today still teaches art classes here at Cleveland. In explaining why he has stayed so long at Cleveland he said it was because of our "good student body."

Mr. Sal Giacamazza began teaching at Cleveland in 1959 as a Social Studies teacher. What is his most memorable moment? "One of the things I remember most was the teachers strike in the early 1970's— it lasted 4 weeks."

In 1959 Mr. Richard Jenkins, another real trouper, began teaching at Cleveland High School in the music department. He remembers most the time he "Directed Cleveland's 80 voice choir in concert in the 1970's." Today he teaches English and still enjoys "Cleveland's friendly students."

Mr. Jim Kaumeyer, who also began teaching at Cleveland in 1959, enjoys teaching such a "variety" of classes. The day he remembers most during his career here is the day Kennedy was assasinated. "I was on my conference period when I heard buzzing in the halls." Mr. Kaumeyer teaches a variety of business classes today at Cleveland.

Mr. Bill Leary also began teaching here in 1959. He says he likes "meeting, learning, and growing with so many fine young people." Perhaps that is why he has stayed so long at Cleveland. Mr. Leary now teaches Social Studies.

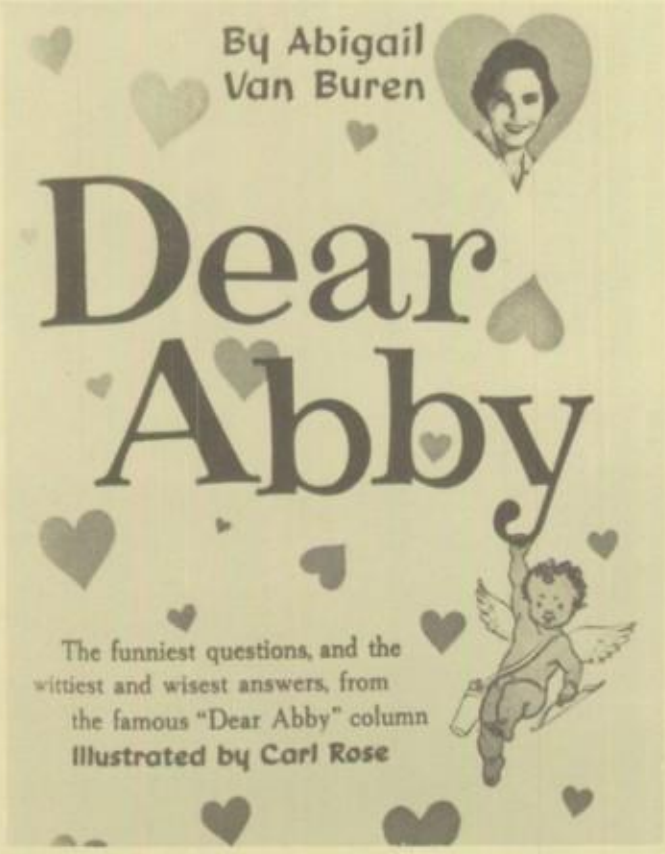
Arnie Leckman began teaching physical here in 1959 and thinks "students are the same as they've always been" "It's great to be a Cavalier," he says with a smile on his face. Mr. Leckman still teaches physical education and is our boys' tennis coach.

Ms. Helen Niparko taught physical education here in 1959 and is now a resource teacher. She has stayed so long here because she likes the fact that "the attitudes are so cross section America" here at Cleveland.

Mr. Phil Shigikuni "found a home" at Cleveland in 1959 when he began teaching Science. He is now a counselor and enjoys being able "to work with students individually."

Mr. Connie Thomas began teaching English in 1959 and was also the first drama teacher at Cleveland. Mr. Thomas likes "the hard working students" of Cleveland and today teaches English.

Mr. Marcilee Watson has worked in Cleveland's cafeteria for 25 years. He remembers "when the cafeteria was just being built and we had to serve food out of a room." Mr. Watson will retire this year and deserves much credit for his faithful service to our school.



DO YOU REMEMBER?

Do you remember "I like Ike?" How about when "Leave it to Beaver" wasn't just re-runs? Well high school students of the 60's and 70's will surely remember. The 60's and 70's gave birth to many special musicians, presidents, and television and movie stars who will long be remembered. All of these people played large roles in the lives of former Cleveland students and faculty and have therefore indirectly shaped Cleveland High School.

Attending sports events have always been a popular pastime here at Cleveland. In honoring the 25th anniversary, we have decided to add a special sports section to commemorate the role it plays in keeping the spirit of Cleveland alive. Thus, we are obligated to share with you some of the memories that help keep the Cleveland tradition a winning one!

1959-1960: With the beginning of school it's only fitting to mention the spectacular athletic members who were Cleveland's first winners. First Varsity winner- Bob Gangwer: 440 yard dash, March 6, 1959; First Cleveland Athlete to win Dennis Manskar: B 660 March 6, 1959; First No-hit no-run pitcher-Terry Alderete, March 3, 1960; and the first Cavalier to make All-league-Ernie Foli: All Valley 1959.

1961-1962: The first team to win a league crown was the '62 varsity track team. Exceptional performances were turned in by Dave Bailey, Larry Stevens, and Randy Walker. The Cleveland B Football team had a perfect 8 win, no loss record.

1962-1963: The '62 basketball team won the first Cleveland basketball League title. Cavalier varsity cross country also captured a crown.

1963-1964: Cleveland's sports tradition was carried on by many spectacular athletes.

1964-1965: This year was filled with many athletic honors. Just to mention a few, Golfer Scott Tenneson, Varsity Basketball and baseball player Lloyd Timm, and Gary Sauck, varsity track.

1966-1967: Girls sports were just being introduced. Gymnastics favored well in league.

1967-1968: Bee basketball were league champs. Best Cleveland gymnastics squad up to this year.

1968-1969: Junior varsity basketball were league champs. Gymnastics have great year. Varsity football were league champs. 2-4-6-8 were the champs in 68.

1969-1970: Swimming showing progress. Girls now able to enroll in tennis, volleyball, tumbling, and softball.

1971-1972: Cleveland sports are keeping up the cavalier tradition of excellence.

1972-1973: Bee football team captured League title.

1973-1974: Girls gymnastics thrives. Athletes at Cleveland in top form.

1974-1975: Cleveland has another winning year and is proving that they are top contenders.

1975-1976: Many previous school records are broken as Cleveland has a handful of successful athletes.

1976-1977: Varsity football wins league title and enters city finals for the first time. Varsity basketball wins West Valley league title, first time since '66. Girls J.V. basketball win league championship. '77 marks first girl's swim team.

1977-1978: Cleveland has outstanding athletes such as Spencer Shiffman, J.V. quarterback, Kevin Masters, Varsity Basketball, and Cari McLaus, girl's track.

1978-1979: Bee football wins league title.

1979-1980: First frisbee team to be at Cleveland.

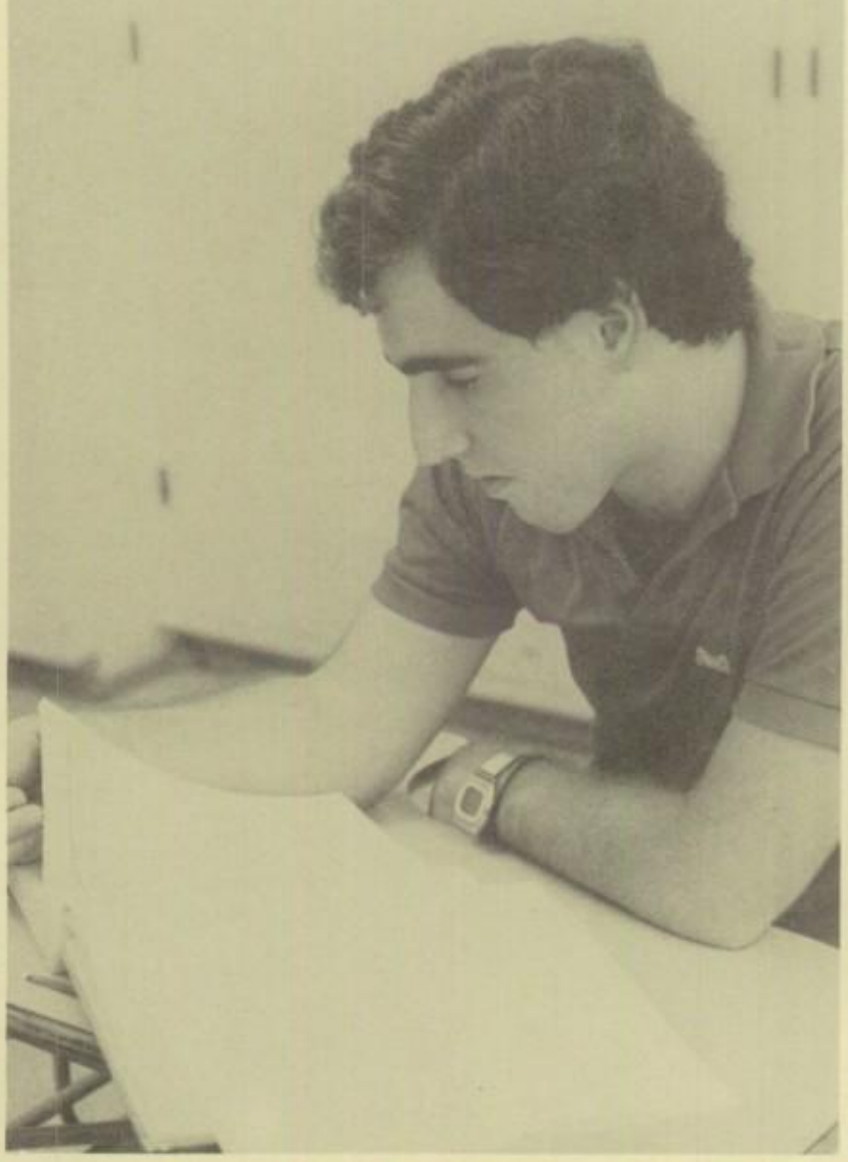
1980-1981: Varsity basketball wins city championships.

1981-1982: Varsity basketball repeats as city champions. Varsity baseball also wins city championship.

1982-1983: Soccers most successful season to date. They hold title of Los Angeles city championship. J.V. baseball has impressive 14-1 record. J.V. basketball finishes first. Cee basketball wins West Valley league championship with 9-1 record.

Cleveland's athletic team and individual achievements are many and although we have only mentioned a small handful of the participants, it is to be noted that there have been numerous amounts of others who have contributed to the Cleveland sports programs. A tradition of excellence.

CLEVELAND HUMANITIES MAGNET



In 1981 Cleveland High School invested in a very worthwhile addition to the school. This useful investment was the Cleveland High School Humanities Magnet. Throughout the three year span the 'Magnet' has existed at Cleveland, it has flourished to be one of the largest most successful of its kind. Assistant Principal Mrs. Ruth Ross and Humanities Magnet Coordinator Mr. Neil Anstead have put all their efforts and talents into making the 'Magnet' program what it is today.

The Humanities Magnet curriculum encompasses those branches of knowledge concerned with man and his culture as in philosophy, literature, and the fine arts. These special features would tend to make one think that the Humanities Magnet is offset from regular school courses and activities. However, the staff is quick to emphasize the fact that the 'Magnet' students are not a seperate few, but instead are incorporated throughout the school in many various fields of study and extra curricular activities.

The Les Mémoires staff would like to wish the Humanities Magnet School good luck and continued success for many years to come.

THE GOLDEN SEMESTER

You can't imagine how complex it is to put together activities that will interest everyone in the Student Body. What's even harder to imagine is the fantastic feeling you get when you know that you've been a part of a super successful event. Student Cabinet and I got that feeling many times throughout this semester, and we have you to thank for it.

I've greatly enjoyed being Student Body President this Fall. I was very fortunate to be working with a cabinet so dedicated to making Cleveland a great place to be. I've gained a great deal of experience as Student Body President and I know I'll be able to draw on it in the future. Good luck to you all and thanks for the memories.

Play Production is an organization of students who enjoy Theater Arts. To get into Production, each student had to audition in front of the Theater Arts Director, Barbara Yanuck. This year's Production went to the Annual Drama Festival that was held at Fairfax High. For the Winter Production, they performed the drama, "Arsenic and Old Lace". In the spring, they did a fantastic job putting on the musical, "Grease".

"WINGS"

"Wings is a play about a woman whom I have called Emily Stilson. Though she suffers a stroke, in no way is it a case study, and in its execution I have assiduously avoided any kind of clinical or documentary approach. Indeed, it has been so conceived and constructed that its audience can for the most part, observe this realm that she is in only through her own consciousness. In short, Wings is a work of speculation, informed by fact."

The previous paragraph is a direct quote by the author, Arthur Kopit, to explain his play. "Wings" was presented by Play Production on March 19th and 20th. The main character, Emily Stilson, was excellently portrayed by Kedra Hart. "Wings" was directed by alumnus Ralph Garcia, with the help of his consultant Mrs. B. Yanuck.

As President, I have shared in many challenging and rewarding experiences that I will cherish and use towards bettering myself and the community. Not only have I dedicated many hours of my time to Cleveland High School, but to many non-profit organizations.

I have enjoyed working with the administration, faculty, staff and students. I am very proud of C.H.S.

Thank you all for the priviledge of serving our school.

The 1983 Bee Football Team had a successful season in piling up a 6-2 record. The Bees were led by quarterback sensation Norman Love and guard Pat Gonzalez. John Fulmer, Tom Cox, Steve Spellman, and Marques Jackson also played a vital role in the offensive success of this year's team.

Leading the defense was Richard Smith, Gary Yohn, and Adrian Jackson who combined, accounted for 75% of the team's tackles.

The Bees concluded the Valley A.A.A.A. League competitive season one game behind first place Granada Hills High School. Cleveland took second place with a 5-1 record. Congratulations Bees on a fine season.

This year's volleyball teams, both varsity and J.V., are two teams that Coach V. Grendahl will remember for a long time. They had so much respect for each other that conflicts just did not arise. Everybody worked well together and this may be a result of the magnificent coaching ability of Mr. Bud Dow. Mr. Dow game his time to the team to try to put a good bunch of girls on the right track. He has coached many teams and is well versed in the sport of volleyball.

This year was basically a rebuilding year as many of last year's varsity players graduated. Two seniors, Maria L. Remigio and Charlette Love, led the team. Maria voted the Most Valuable Player, and Charlette, voted the Outstanding player, clearly illustrate this leadership. The J.V. team also had some stars. Their Most Valuable Player was sophomore, Maria Ramirez and the Outstanding Player was senior, Patricia Medina. As this team was a building team, next year should be very promising.

Arnold, B. Couture (J.V.), J. Shin, D. Sullivan (J.V.), D. Hansen, B. Escamilla, G. Madison, W. Handley (J.V.).

This year's boys' volleyball team is made up of a great deal of talent. With their ability, they should go pretty far. Coach L. Holden believes that the only disadvantage that the team has is that there are so many different personalities on the court. Once these personalities are pulled together, the team can only advance higher and higher.

Leading the team this year are returning players Darin Hansen, Oscar Arnold and Duke Tran. These three should guide the team to its victories.

Our girl's tennis team deserves a congratulations for their high spirit at the end of a discouraging season. All of the players worked very hard in a difficult 4-A league. Although the teamlost every league game, they did win the practice match against Crenshaw.

The team's co-captains were Nancy Wilson and Stacie Wells, who also played number one doubles. Number two doubles consisted of Fawn Dao and Cindy Hadvina. Catherine Park and Christine Lutz played numbers one and two singles, respectively.

Coach Leckman feels the team could be improved if more people showed a greated interest in tennis. With a lot of the players returning next year, it should be a more promising season. Good luck girls.

"RACKETEERS"

Coach D. Kubelka was not one to deny the fact that this year's boys' tennis team was a lot of fun. Hardy Warren, the three year varsity player, continued to exhibit his great tennis ability. Right behind him was the mechanic of the team, Eric Rich-Mr. Consistent. The team was saddened with the loss of the tennis expertise of Rodney Prince, who had suffered an eye injury early in the season. Yet, the team picked up a whiz kid off the prairie, Matt Laborteaux, who was a strong addition to the team. Another strong aspect of the team was doubles player, Ron Sacilioc. Sergio Coropos made a strong come back after suffering a toe injury. He too, has been a great leader of the team for three years. "The upward mobility of this year's team looks very promising," Coach Kubelka stated.

CAVALIER SOCCER TEAM

CAPTURES LEAGUE TITLE

Despite the soccer teams early exit from this year's playoffs, most players are optimistic. With stars, John Saenz (ten goals), and Steve Demaine (six goals) returning next year, Cavalier soccer should not suffer. The loss of John Hildreth, Glen Megran, and Mark Rubio will hurt, but not as substancially as one might presume.

The Les Memoires Staff wishes to congratulate this year's soccer team on their 8-3-2-overall record and League Championship.

The Girls' Varsity Basketball Team did an outstanding job this year. Having four team members selected as All-League players is a clear illustration of this. Jolanda Lans and Karen Shields were both 1st Team All-League. Jolanda led the team in assists and steals and Karen led the team in rebounds. Karen Watson, the team's leading scorer, made 2nd Team All-League, along with Jennifer Miller.

Coach K. Davila believes the strength of this year's team was its defense. "Each year our record gets better," says coach Davila, "We have moved from the bottom of our league, where we were two years ago, to third place. That is quite an accomplishment as we are in a difficult 4-A League." Congratulations Varsity on making it to the Quarter Finals this year.

The 1983 Bee Basketball team ended the League season with a record of 7 wins, 1 loss and captured the League Championship. This year's team will be remembered as one of the best in the history of Bee Basketball at Cleveland High School.

As a team they averaged 58.8 points per game and limited their opponents to only 48.4 points per game. Four players averaged 9 points or more per game, they were: Raymond Diaz, 9.38; Bradley Bullock, 12.63; Stacy Martin, 14.50; and Steven Moore, 16.75.

Making the transition from Pop Warner Basketball to High School Basketball is a big step to make. Many of this year's team have showed their ability to play the game. Good luck in the future.

The team worked together all season long thus contributing towards the 7 wins in the League. Their only loss was suffered to Kennedy High School, final score 48-61.

The Les Mémoires Staff congratulates you on your championship.

This year Cleveland High School's Cee Basketball Team clinched the League Championship two games before the League Season ended.

Head Coach Bobby Braswell had alot of talented basketball players to work with, making his job a very easy one. Bobby Braswell graduated from Cleveland High School in 1980 and he is presently attending California State University of Northridge.

The entire Cee Team should be commended for their excellent play all year long. The team finished the season with a record of 7 wins, 1 loss. The leading scorers for the Cees were: Lorenzo Lewis, 13.75 and Bobby Bermack 14.25 points per game.

The Cleveland Yearbook Staff Congratulates the Cees on an excellent season!

Drill Team dazzled the Cleveland Cavalier spectators with many glittering performances. One of the team's better executed renditions was at Cleveland's Homecoming Game during halftime. The Drill Team out did themselves by bodily forming the letters twenty-five, signifying the Twenty-Fifth Anniversary of Cleveland High School. This year it was sparked by sponsor Ms. Mary Schellberg and Drill Team captain Melissa Manliguis. In December, Drill Team traveled with the Marching Band to the Annual Band and Drill Team Competition at Wilson High School.

The Cavalier Marching Band directed by Mr. Richard Fisher and led by this year's drum major Christine Killen, once again upheld the Cleveland tradition of excellence and good showmanship. Together with Drill Team, the band provided half-time entertainment and raised the spirits of the fans. During December, the band went to Wilson High School for the Annual Band and Drill Team Competition. The numbers they chose to perform for the competitions were Thor, Farandole, and Schehera-zade.

CAVALIERS

With chants and cheers for victory, the sprightly cheerleaders once again persisted in providing overflowing amounts of thrills and excitement. Under the sponsorship of Mrs. VanKirk, the dexterous group continued with fervid spirit during the football, basketball, and baseball seasons. Their efforts gave our school many reasons to celebrate throughout the school year.

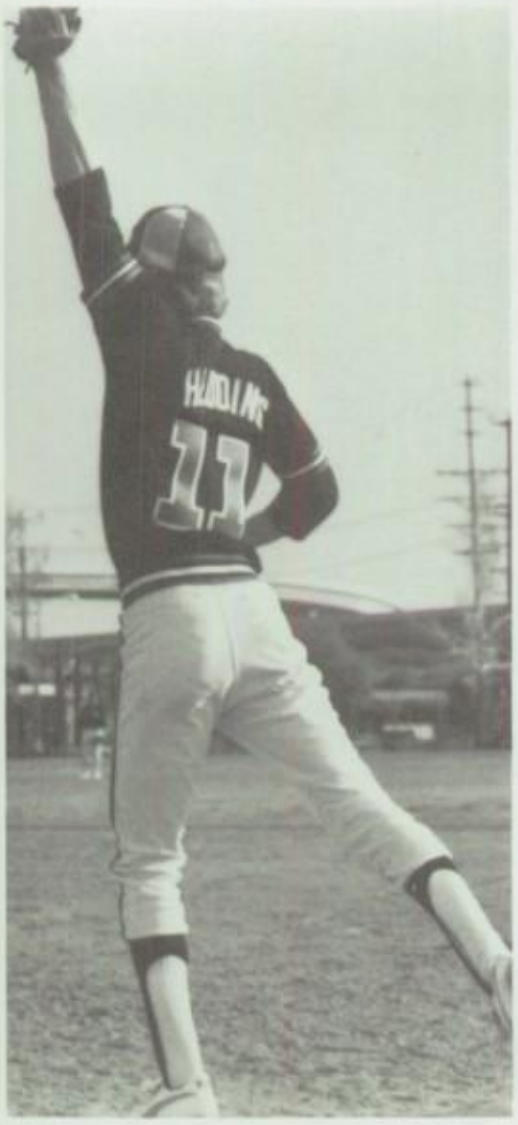
VARSITY BASEBALL-WHAT A HIT!

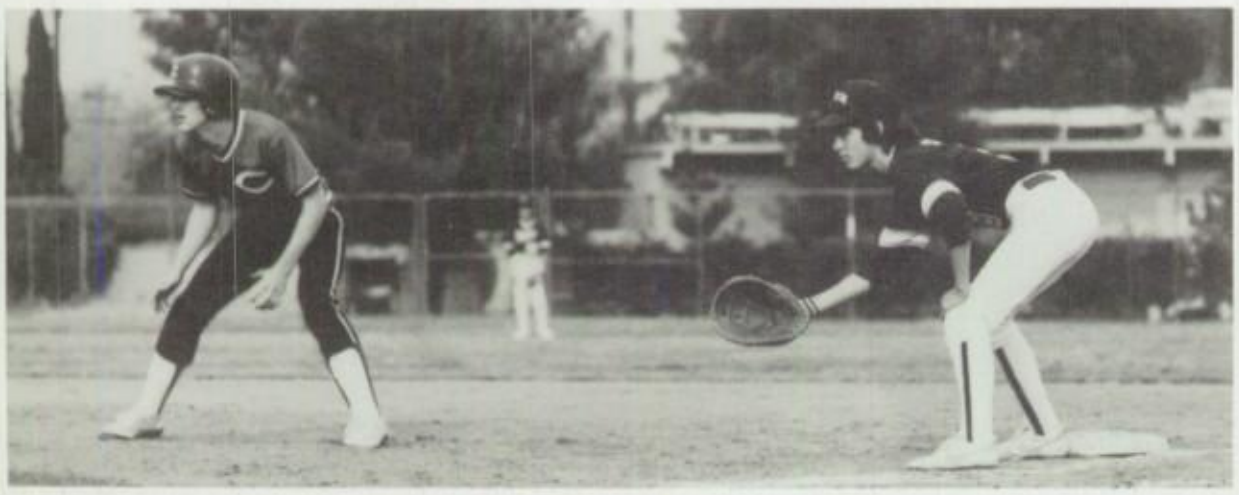


It is anticipated that the Varsity Baseball team will do quite well this year. They will be riding on the arms of John LaRosa and Jim Miko. Both of these pitchers are strong and it looks very hopeful.

The offensive power this year is supplied by seniors Greg Martin, Phil Tukia, Sean Campbell and Calvin Register. Other seniors that highly stand out are John LaRosa, Jim Miko, Jon Doll, Todd Priebe, Brian Lintz and Brian Escamilla. The Cavs are also greatly supported by the following juniors: Joe Beckham, Ron Hedding, Bill Thunell, Craig Shockency, Tim Sparks and Pat Almeido. With so many impressive juniors, it looks like the team will continue their success next year.

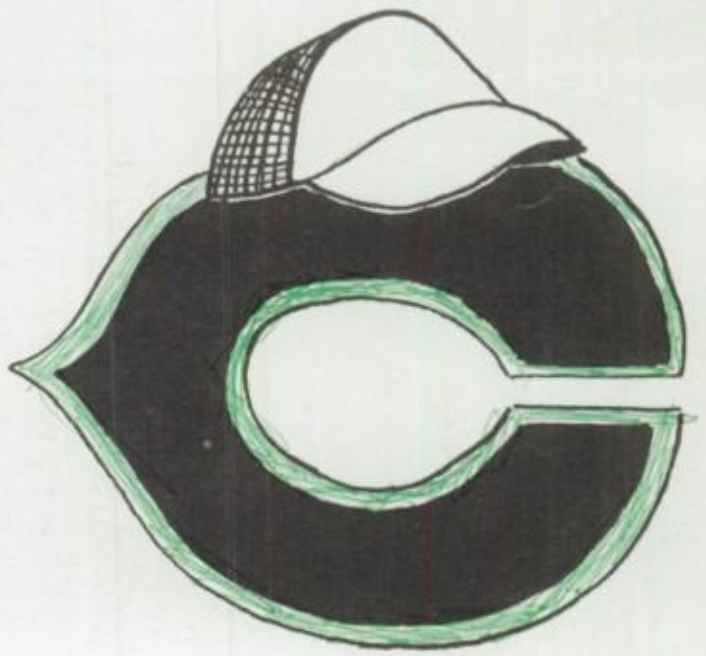
▲ ◄ Stretch 2-3-4-5-6-7-8.
▲ Wayback . . . this ball is gone!
▲ ► Do you think we should leave him in or give him the hook?
▼ ◄ Hope the ump doesn't spot my spit-ball.
▼ It's a good thing you're not a girl because they're coming in right about here.
◄ High-fiven with the Cavs.

Row 1- R. Kropfl, M. Kueck, J. Fullmer, C. Geyer. Row 2- R. Cascione, B. LaRosa, C. Nielsen, T. Doll, S. Smetzer. Row 3- Coach R. Raymond, D. Moorman, A. Ramos, R. Wheatcroft, P. Freeman.



This year's Junior Varsity team looks mighty promising. Contributing heavily to the team are pitchers Bob LaRosa and Robert Wheatcroft.

Coach R. Raymond believes that with a development in the defense, a championship may be right around the corner. On the other hand, the hitting is very strong. At the plate, Mark Kueck, Tim Doll, Collyn Nielsen and Rocco Cascione contribute greatly to the team. In addition to this year's hopeful success, the team also has high hopes for next year.



"TAKE ME OUT TO THE BALLGAME"

▲ ▲ Scoring runs is getting to be a habit!
▲ Now if that's not a strike, I don't know what it is.
▲ ► You put your right foot in. You put your right foot out. You put your right foot in and you shake it all about.

The year the Varsity Softball Team will be rebuilding itself after losing many players from last year. Carol MacGregor and Michelle VanKirk will be pitching the team to its victories. There is a great deal of new talent this year and with only a small few graduating, the team should be very strong next year.

Boy, do I love scoring runs! ▼

After a good start this season, the girl's J.V. Softball Team hopes to continue its winning record from the '83 season. Led by returning pitcher and team captain, Stacy Hall, the team hopes to do well again this season. Key players on the team are returning twelfth grader Lisa O'Connor, new starters Michelle Kaminsky, Ana Guzman, and Janice Wilson, providing the team with great performances.

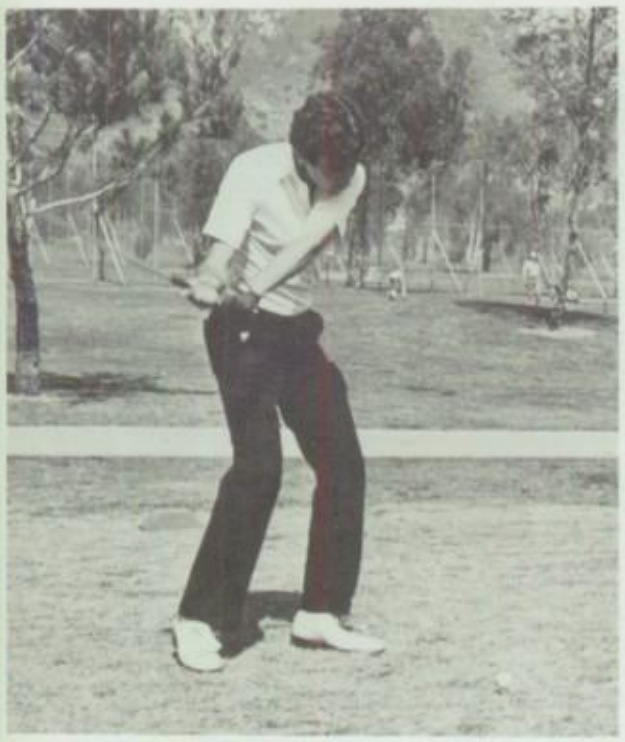
IT'S TEE TIME



The Varsity Golf Team, headed by Coach J. Malousis, entered into the 2-A division with expectations of a fine season in '84. Last year, the newly formed golf team finished in 3rd place. This year, the team is determined to improve upon that.

Leading the team once again is Eric Clark-our secret weapon. Eric's exceptional golf talents proved to be the difference as the Cavaliers were able to launch their way into the spotlight of high school 2-A golf, but he didn't do it alone. Returning players from '83 are: Dave Brill, Allan Rutenberg, and Paul Serritella. Newcomers to the team are: Don Magier, Steve Demaine, and Kent Taylor. These three managed to play like veterans as they were able to assist the returning players with excellent golf skills of their own.

This spectacular golf team started their season with a 9-0 record, 6-0 in league, giving no mercy to its opponents. As of now, it looks as though the Varsity Golf Team will finish at the pinnacle of their division! We wish them the best of luck on their quest.

Next year the team will probably move up to 3-A, but not to worry. They will be led by the versatile Eric Clark and the eccentric Steve Demaine. Good luck in '85 guys!

E. Clark, S. Demaine, A. Rutenberg, P. Serritella, D. Magier, D. Brill, K. Taylor, Coach J. Malousis.

VARSITY

This year's Varsity Track Team was made up of thirteen members. With the team being so small in participants many of the athletes were competing in the maximum allowed four events.

The varsity was led by Jon Hawkins and Robert Davis in the sprint events, Larry Thomas in the hurdles, and Charles Dominick and Leonard Breaux in the distance events. Antoine Borgnon, a Foreign Exchange Student from France, had a great year as a Cleveland pole vaulter. Congratulations on a fantastic year of competition.

THE BEST IN THE WEST

The Cleveland Bee Track Team had a very successful season. This year's team went undefeated in league competition and represented Cleveland High School with class in the League Finals which took place at our school.

William Dixion out classed all field event participants, Rob Grossman shined in the distance runs, and Richard Smith and Vincent Green both had a great season in many events.

The Les Mémoires Staff congratulates the West Valley Bee Champs.

CEES CAPTURE CROWN

Wow! 5 - 0 League Champs

The Cleveland Cee Track Team had an amazing season. The Cees demolished their opponents by beating them by great margins.

Leading the Cee attack were Sam Joo, Adam Almanzan, and Craig Bailey. Craig Bailey stood out over everyone. He performed in four events a week and usually won every event in which he participated. Craig should be commended for his hard work and dedication towards his team and school.

The Cee team had many members of their team participate in the League Finals. Each member performed to their highest potential.

Congratulations to the Cee team and their coaching staff on a Championship Season.
